

The 2015 Series features quarterly luncheons with the theme of "Becoming a Woman of Influence"

This luncheon is designed to provide you with resources, tips, and interaction with other professionals who deal with the same issues as you do! Join us as we do just that! Each quarter, we'll feature successful women from throughout the business community sharing their perspective and expertise in mastering issues that we all face.

When: 11:30 a.m. - 1 p.m., Thursday, September 24

Where: Holiday Inn, 601 Main Street, Lynchburg

Join us for this luncheon that is also supported by Genworth Virginia 10 Miler where you'll hear from Molly Barker, who will share her tips and lessons learned on succeeding in business and how to maximize your networking potential all with the goal of mastering critical skills needed to prosper in work and in life!

The luncheon is a great way to kickoff festivities for the Virginia 10 Miler!

Speaker: Molly Barker, Founder Girls on the Run and Red Boot Coalition

About the Speaker: Molly Barker founded Girls on the Run in 1996 to create a connected and safe "space" that invites girls and women to see and unravel from their unconscious buy-in where cultural and societal stereotypes limit choices.

Molly engages with humor, poignant stories, and rich demonstrations of the power possible when people collectively give voice and action to love, compassion and curious-inquiry in spite of the perceived chaos, fear and anger around us. Molly heads up the Red Boot Coalition with dialogue focused on addressing these challenges.

She enjoys writing and is the author of two books and has been featured in many media outlets including People, Runner's World, Glamour, Shape, Redbook and Woman's Day. She was recently selected by Fast Company to the League of Extraordinary Women, Women Truly Changing the World. President Barack Obama and President George H.W. Bush recognized her in a ceremony as a "Daily Point of Light."
